CORAM: SMT.V.K.TAHILRAMANI,J.
DATE : MARCH 29, 2007

P.C.

1. Heard the learned advocate for the applicant and the learned A.P.P. for the State.

2. By order dated 28.4.2006, the applicant was granted bail by this Court. While granting bail, a condition was imposed on the applicant that the applicant shall not enter into Solapur City during the pendency of the trial except for the purposes of attending the court dates. The applicant has been entering into Solapur city and has been

attending the Sessions Court on all the dates. The applicant is seeking modification of the condition that he shall not enter Solapur City.

3. The learned A.P.P. submitted that in the said case summons have been issued and the trial is scheduled to start on 16.4.2007, hence, it is not necessary to relax the said condition. The learned advocate for the applicant submitted that once the trial starts, it would be very difficult for the applicant to attend the Court every day in the morning and thereafter leave the limits of Solapur city by evening and again report on the very next day in the morning, hence, the condition may be modified.

4. Looking to the above facts and the fact that there have no adverse reports or any complaint made in respect of the applicant after he was granted bail, I am inclined to modify the said condition.

5. The above condition of not entering Solapur City is relaxed. The applicant is permitted to enter into Solapur city from 14.4.2007 onwards till the conclusion of trial. However, the applicant

will not enter the area within the jurisdiction of Tartinaka Police Chowky, Sadar Bazar Police Chowky and Valsang Police Chowky as the witnesses are residing in that area.

6. Application is disposed of.
